WHOLESALE TERMS & CONDITIONS

FULL VOICE Music is pleased to partner with Schools, Music Education Centers, Choral Organizations, and Print Music Retail Stores that wish to sell our printed materials.

2026 WHOLESALE ACCOUNT TERMS AND CONDITIONS

- **Eligible Accounts:** Wholesale accounts are for Music Schools, Choral Organizations, School Boards, and Print Music Retail Stores. Wholesale customers must have a commercial address to be eligible.
- **Discount:** All wholesale accounts will receive 30% off the manufacturer's suggested retail price (MSRP). The wholesale discount is only applicable to printed resources. Prices are subject to change without notice.
- **Minimum Order:** There is a \$100 minimum order for wholesale accounts.
- **Returns:** We do not accept returns on unsold printed materials.
- **Purchasing:** We do not accept purchase orders. All orders are placed through your account at our website, wholesale.fullvoicemusic.com, using the approved online payment methods.
- **Shipping:** Shipping is not included in the cost of goods. Shipping costs are calculated upon checkout. All orders are shipped from Toronto, Canada, via courier ground service the next day, Monday through Friday.

All prices in this catalog are in USD.

Good News for U.S. Retailers:

FULL VOICE Music books are printed in Canada and qualify under CUSMA, so your wholesale orders ship tariff-free from Toronto. We closely monitor customs requirements and each shipment to help ensure your orders arrive safely and without unexpected fees or import duties.

HOW TO USE THESE CARDS

Explore the Cards

Introduce the melody, rhythm, and tongue twister cards.

Allow students to speak, sing, clap and create with the cards.

Create Musical Patterns

Use any combination of cards to create unique melodic phrases or "mini songs".

Add Musicianship Cards

Challenge students with tempo changes, active listening and body percussion activities.

Explore Harmony Singing

Students can use cards to create exciting rounds and canons in 2, 3 or 4 parts!

Place your order on the FULL VOICE Music Wholesale website: wholesale.fullvoicemusic.com

SONGS & STUDIES FOR KIDS!

An exciting new songbook series for young beginners! Celebrate the child singer with play-based learning and vocal exploration.

Songs and Studies for Kids! are songbooks researched and developed for young beginners. They include age-appropriate music and singing studies.

First Song Adventures

Clever and catchy, these simple melodies are developed for the young beginner student who is developing pitch accuracy and learning to follow the musical score. Vocal scores (PVC), leadsheets, and lyrics are included.

SPACE CATS

Words and Music by
Donna Rhodenizer and Nikki Loney

The page shows a musical score for "SPACE CATS". It includes two cartoon cats at the top. The music is written on a grand staff (treble and bass clefs). The lyrics are: "Float - ing in space, North - ing to chase. Watch - ing the moon in the sky." The score includes various musical notations like notes, rests, and clefs.

SLEEPY SLOTHS

Singing Descending Perfect Fifths

1. Sing a major scale ascending and descending.
2. Sing the scale descending only.
3. Sing the following patterns.

a) DO RE MI FA SO DO

b) SO SO DO DO SO DO

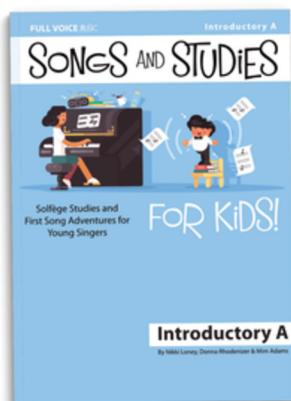

c) SO SO SO SO SO DO

Legato

The page shows a musical score for "SLEEPY SLOTHS". It includes a cartoon sloth at the top. The music is written on a grand staff. The lyrics are: "Are they sleep - ing? I don't know! SO SO SO SO SO DO". The score includes various musical notations like notes, rests, and clefs.

Kid-Friendly Solfège Studies

These short singing exercises introduce music reading skills by incorporating solfège, music on the treble staff, simple lyrics, and cute images. Solfège Studies are unaccompanied vocal exercises students enjoy singing again and again!

About FULL VOICE Music Backing Tracks & Digital Products

FULL VOICE Music resources are available in both printed and digital formats. **Downloadable PDFs and backing tracks are sold separately through the FULL VOICE Music website and are not eligible for wholesale discounts.**

Backing tracks are sold separately so composers receive appropriate mechanical and performance royalties for their recordings, and to reflect our ongoing commitment to collaborating with and supporting the creators whose music we publish.
